Milwaukee County Executive Scott Walker's Weekly Newsletter

Message from County Executive Walker

Five years ago, I took the Oath of Office at the Milwaukee County Zoo. I never lost sight of the fact that it was the people of Milwaukee County who brought on the change.

Over the past five years, we made many positive changes. [Click here](#) or go to www.milwaukee.gov/walker for an overview of the accomplishments of the last five years.

Many thanks to the employees of Milwaukee County, to the members of the County Board and - most importantly - to the people of this great county for helping us achieve so many positive changes since 2002.

Soon, we will start to lay out plans for the next several years that build on our successes. Look for details in future editions of the Executive Update.
